

2021 Walk to Bethlehem

During this last weekend of “*October is Breast Cancer Awareness Month,*” we ask you to remember those victims of breast cancer and other cancers: those who have survived or are continuing their fight; and, those who have lost the battle against these dreaded diseases. Please keep these people in your prayers and thoughts as well as those not listed whom you know.

2021 WALK TO BETHLEHEM – Week 4 Report

All walkers should have received the Week 6 Meditation, “*Ohana.*” If not, please email stpaulwtb@gmail.com. Week 4 mileage report will be available next week.

For those searching for a web site that provides the Gospel readings, reflections, prayers and more on a daily basis, we suggest that you visit the following:

www.faith.nd.edu

Remember next weekend, we “fall” back an hour on November 7th. Be safe in your walking this week as the day light continues to dwindle.
